

South Dakota FAASTeam presents:

Rapid City Regional Airport Runway Safety Action Team Meeting

Now is your opportunity to ask questions and provide feedback to help improve service for our aviation community. Participants are asked to develop recommendations and solutions to enhance airport surface safety. Your input helps provide a foundation for a "site-specific" Runway Safety Action Plan.

Directions: This meeting will take place at the Rapid City Regional Airport Fire Station #8 Conference Room. Once you turn off Highway 44 toward the airport, keep driving straight ahead and continue past the traffic light up the hill toward the general aviation hangars. The Fire Station #8 will be to your right and parking is available in front of the building at no expense.

The purpose of this Runway Safety Action Team (RSAT) Meeting is to unite those individuals, pilots, and organizations who are actively involved in air traffic operations, movement of aircraft, vehicles and equipment within the Airport Operations Area (AOA). If flying into the airport, aircraft tie-downs and fuel services are available.
